DAYTONA.

Items from the Journal.
The Florida Motor Company, of which Mr. W. H. Peters is the manager, has contracted with Mr. Johnson to build a dock ten feet wide and 220 feet long, with an L of 36 feet, in front of their modern salesroom, Beach street.

Superintendent L. Johnson is making numerous repairs on the central bridge; 220 new piles have replaced old ones and about 90 stringers have been renewed. The planks have been edged off, making smoother sailing for bicycles on either side of the driveway.

D. D. Rodgers, civil engineer, was surveying for the East Coast Canal Company, where the dredges are working on the cut between the Halifax and the Matanzas last week, during the stormy weather. As he was working in water up to his hips the down pour from above did not matter much. The Smith's Creek cut having reached a point opposite the "Neal house" and the Matanzas end south well toward the Fox cut, the latter being the divide between the two rivers. The party does some rough work and Mr. Rogers has been laid up a few days in consequence. This camp was well supplied with fine duck.

Marsh Bros. deal in the Best Florida Meats. Polite attention. Quick delivery.

NEW SMYRNA.

Items from the Breeze.

Webster brothers have purchased a naptha launch to be used in connection with their fishing business.

R. A. Garthard, formerly telegraph operator at this place, who has been in Georgia several months, returned to New Smyrna Wednesday for a visit.

John E. Day was at home the first of the week visiting his family. He has been promoted to captain of the dredge on which he has been engineer for several months.

W. P. Shryock has had shell hauled on Magnolia street to pave the street the length of his lot and about 30 feet wide. This will make the street covered about two-thirds its width at this point. Let others follow the example.

The teachers and pupils of our public school enjoyed an outing in the hammock north of town last Friday to study nature. There was a full attendance on that day and there was none tardy. They took well-filled lunch baskets along with them. The day was pleasantly spent and no doubt many useful lessons were learned by the children that could not have been learned otherwise.

A hunting party consisting of Rev. A. N. Elrod, Wm. Smith and Roy Galbreath went out for a camp hunt last week. Jack Mitchell, with his dogs, joined them after they got out in the woods and it was not three hours before they had two deer up, one of which was killed. It was a buck with a fine pair of antlers, having four points on each. Mr. Elrod fired the lucky shot, and of course was entitled to the antlers.

Orange City

Orange City, December 2.—Mrs. Taylor and daughter, Carrie, who have been boarding with Mrs. True have rented E. E. Ireland's cottage and gone to housekeeping for the winter.

Thanksgiving passed off very quietly here. Rev. Brewster preached a very eloquent sermon in the Congregational church at 11 o'clock a. m., after which public and private turkey dinners were the order of the day. There were public dinners served at the Freeman house and Bolo. The Freeman house entertained 23 and the Bolo 8. Mrs. John White entertained a few friends.

Mrs. and Mrs. Wm. Gray arrived Wednesday evening from New York. They are keeping house in their pretty cottage.

Mr. and Mrs. C. A. Bullen of Eau Claire, Wis., arrived Saturday evening. They are boarding at the Bolo, waiting for the hotel to open.

Mrs. John Graham has been quite ill for the past two weeks with rheumatism.

We have a new teacher in our school, Miss Eva Hawley, as assistant.

Wm. Robinson and wife of northern Ohio came in Monday. He is engaged as painter on the new hotel. They are keeping house in the Rowell house.

Mr. and Mrs. Gray took in DeLand Tuesday morning on business.

Mrs. J. F. Leavitt returned from her visit at Sanford Saturday, where she has been visiting her son, grand and great-grand children. She was away about four weeks.

Mrs. Lewis is quite ill for the past few days from a cold.

Mr. Edwin French was entertained to dinner Sunday at Mr. St. John's.

Miss Fanny Trobridge and Mr. John White drove to DeLand Monday.

Lee Spencer left Sunday night for Cuba, where he goes on a prospecting tour. If he strikes, a job that suits him he will remain there, if not will be back in about two weeks.

The card party met at the hall Tuesday evening. Fred Graham and George McCormick had the same number of points. They cut for first honors, Fred winning. As we were not present, could not get further information.

PARKINSON FOR JUDGE.

"DeLandite" Places in Nomination a Popular Daytona Attorney.

EDITOR NEWS: A contributor to the Daytona Gazette-News asks why Daytona is not represented among the prominent county officials, and suggests the name of Charles L. Smith as a candidate for the office of tax collector to succeed D. P. Smith. I believe that Chas. L. would find it a rather difficult problem to beat the present official in a popular primary. There is one Daytona man, however, who could have a fat county office simply for the asking. I mean Prof. John B. Parkinson, who has been mentioned time and again for the criminal judgeship. This is an office that pays \$1,000 a year, and takes not to exceed six days a month on an average.

If Mr. Parkinson can get the support of Daytona for this office, he may count on a majority of the votes in DeLand, and many from the other sections of the interior.

Parkinson is a clean, moral man—a man who has the respect of all who know him—and, I believe, would make a competent, impartial, dignified judge.

Here's to Judge Parkinson.

DELANDITE.

SAYS HE DIDN'T SAY IT.

Don Morris Repudiates the Interview Credited to Him.

Some of Alderman J. Don C. Morris' friends are bound to get him into political trouble, for since his phenomenal success in the city election his name has been mentioned for several public offices of great importance. The latest and most up-to-date suggestion comes from the Daytona Gazette-News, which says:

"In spite of the fact that the Senatorial plum for the lower East Coast should go to Brevard county in the coming election, many citizens of Dade county, so we are reliably informed, are insisting upon the name of Alderman J. Don C. Morris of West Palm Beach being placed before the primary for that office."

Alderman Morris was interviewed this morning while at a rehearsal of "The Dutchman's Ghost," and he authorizes a strong denial that he has serious intentions of causing our good friend, Wade H. Jones, of Brevard the loss of a wink of sleep.

The above, from the West Palm Beach Sun, is, according to Hon. L. Moreton Murray, repudiated by Mr. Morris, who denies that he authorized any such statement, and who will probably be a candidate before the primary next summer.

Starke Marsh Complimented.

Starke S. Marsh of Manatee, lawyer and good fellow generally, is numbered among our list of visitors this week. Mr. Marsh is building up a nice practice in this county and is even now recognized as one of the most successful criminal lawyers in the county. At the last term of the circuit court he succeeded in securing an acquittal in every case entrusted to him, some of which were crimes for which the penalty is quite severe. When a case is given him he immediately gets down to business and if there is any chance for his client he is quick to take advantage of it. He works hard and for that reason, if for no other, we are glad to see him climbing up. If there is room at the top Attorney Marsh will occupy it if he continues his present way of doing things.—Palmnetto News.

WORST OF ALL EXPERIENCE

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years," she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered. For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by W. A. Allen and Geo. W. Fisher, druggists."
